DIRECTION FOR USE GENERAL CLASSIFICATION

Read and understand how to use this product in a manner in-
consist with the labeling of the available gas masks ap-
proved by the U.S. Bureau of Mines or the National Institute for
Occupational Safety and Health. Handle and use only in accor-
dance with practice recommended in the Chlorine Manual
published by the Chlorine Institute Inc. New York. Use only in
well-ventilated areas.

Use only with approved pressing equipment should be
used in accordance with the manufacturer's instructions and in-
formation from the regulatory agency recommendations for
handling and use of this material which should be main-
tained in the vicinity of application.

Storage and Disposal

Store in a cool, dry, well-ventilated area away from direct sunlight
and heat. Containers must have a minimum of 10% free space and must
be properly labeled. Empty containers should
be returned to the supplier and not be refilled. Follow all applicable
regulations and practices for disposal.
