P.O. Box 118097
Carrollton, TX 75011-8097

Attention: Kim Davis

Gentlemen:

Subject: Enforcer Wasp & Hornet Killer
EPA Registration No. 40849-1
Your Letter Dated September 8, 1987

The proposed amendment to the registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, changing the formulation of the product by replacing one of the inert ingredients, is acceptable subject to the comments listed below.

1. Submit the chemistry data for the new formulation. Refer to the items checked on the "Product Chemistry Data Requirements" enclosure for the required information. These data must be submitted within 15 months.
2. Submit the flashpoint for the new formulation.
3. This formulation change is being accepted as a basic formulation change not as a alternate formulation. Submit an updated Confidential Statement of Formula (CSF) with the basic formulation block checked.

BACK PANEL - Enforcer Wasp & Hornet Killer

Wasp & Hornet Killer

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product shoots a powerful spray blast. A test firing is recommended to acquaint the user with the spray pattern before using on wasps and hornets.

For outdoor use. Can also be used in attics, warehouses and other storage areas where foods and foodstuffs are not exposed. Kills Hornets, Wasps and Bees, indoors and outdoors.

For Outdoor Use: Application should be made when insects are at rest. Hold can upright. Point valve opening away from face. With wind at back, aim at nests in trees, bushes, under eaves, chimneys, cracks or crevices, telephone and power lines.

Storage: Store in a cool dry area (inaccessible to children and pets) away from heat or open flame.

Disposal: Replace cap, wrap container in newspaper and put in trash collection. Do not incinerate or puncture.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes or clothing. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when plant is not in operation.

STATEMENT OF PRACTICAL TREATMENT

IF INHALED: Remove victim to fresh air. Apply artificial respiration if warranted.

IF IN EYES: Immediately flush eyes with plenty of water. Contact a physician if irritation persists.

IF ON SKIN: Immediately remove contaminated clothing and thoroughly wash skin with soap and water. Contact a physician if irritation persists.

IF SWALLOWED: Immediately contact a physician or Poison Control Center. Do not induce vomiting due to aspiration hazard.
