Atlanta, GA 30318

Subject: Label Notifications for Pesticide Registration Notices 2007-4

Dear Ms. Dixon,

The Agency is in receipt of your Applications for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated January 29, 2009 for the following products:

<b>Enforcer Flea &amp; Tick Powder for Pets</b>	<b>EPA Registration Number 40849-16</b>
<b>Enforcer Flea &amp; Tick Spray for Pets II</b>	<b>EPA Registration Number 40849-34</b>
<b>Enforcer Four Hour Fogger V</b>	<b>EPA Registration Number 40849-46</b>
<b>Enforcer Roach Ridd</b>	<b>EPA Registration Number 40849-20202</b>

The Registration Division (RD) has conducted its review of these requests for their applicability under PRN 2007-4 and finds that the label changes requested fall within the scope of PRN 2007-4. The labels submitted with the applications have been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please call me directly at 703-305-6249 or Steve Schaible of my staff at 703-308-9362.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

{Back Panel}

**READ ENTIRE LABEL BEFORE EACH USE.**  
**USE ONLY ON DOGS [OR CATS]!**

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Hold container upright. Shake well before using.**

This product will kill fleas up to 14 days and ticks up to 7 days on dogs and cats.

**Dogs [and Cats]:** Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and underbody . Fluff the hair as you spray so the spray will penetrate to the skin. Thoroughly wet ticks . Do not spray in face, eyes, ears or on genitalia. Do not reapply product for 7 days. [For cats apply at the rate of 1 second per pound of body weight.] For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 4 seconds per pound of body weight for heavy or long-haired dogs. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, immediately consult a veterinarian.

**Puppies [and Kittens]:** Spray only on back and rub in well with fingertips. . Do not use on puppies or kittens under 12 weeks of age.

Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals.

**Pet Sleeping Quarters:** Remove old pet bedding and wash . Thoroughly spray area and replace with new bedding that has been sprayed. Do not allow pets to reoccupy the area until spray has dried.

4084

**Horses and Ponies:** Spray the animal from a distance of 8-12 inches giving special attention to facial areas, shoulders, neck, back, shanks and other areas of animal where insects are most often seen. Avoid contact with animal's eyes and nostrils. Moisten hair but do not completely wet skin. Repeat application as necessary.

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans and Domestic Animals**

**CAUTION: Humans:** Harmful if inhaled. Avoid breathing vapors. Avoid contact with skin or clothing. **Animals:** Do not use on puppies or kittens under 12 weeks of age. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**First Aid**

<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also contact 1-800-xxx-xxxx for emergency medical treatment information.]	

{Note: The First Aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

<b>Storage and Disposal</b>
<p><b>Storage:</b> Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from heat and sunlight. Protect from freezing (32°F/0°C). Do not puncture or incinerate! <b>Disposal:</b> Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.</p>

Products must bear a batch code. This is a lot number or other code used by the registrant or producer to identify the batch of the pesticide product distributed and sold.
