This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase "EPA Registration No. 40849-38" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

40849-38

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT

SHAKE WELL BEFORE USING

TO TREAT CARPETS AND FURNITURE

CARPETS: Move furniture away from wall. Spray at the rate of 3 square feet per second, until slightly moist. Allow carpet to dry. Replace furniture and spray balance of carpeting. Repeat treatment as necessary. **NOTE:** Avoid walking on carpet, linoleum or other hard surfaces until dry.

FURNITURE: Remove and thoroughly clean covers, cushions and pillows. Test spray in a small inconspicuous area and allow to dry. Make sure this product is compatible with fabric before using. Spray at the rate of 3 square feet per second, until slightly moist. Do not permit humans or pets to contact treated surfaces until the spray has dried.

PET SLEEPING QUARTERS: Remove old pet bedding and wash thoroughly or destroy. Thoroughly spray pet sleeping quarters, around baseboards, windows and door frames, wall cracks and floors. Replace old bedding with bedding that has been washed then treated with this product, or with clean or new bedding. Put fresh bedding in pet's quarters after spray has dried. Treat pets before allowing them to enter the treated area with a product registered for use on pets. Make sure spray has dried before allowing pets to reoccupy the area. Do not treat pets with this product.

Do not use this product in or on electrical equipment due to the possibility of shock hazard.

Do not use in commercial food/feed handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

STORAGE: Store in a cool, dry place (preferably locked) inaccessible to children and pets and away from heat, open flame or other sources of ignition. **DISPOSAL:** Replace cap and securely wrap container in several layers of newspaper and dispose in trash. Do not incinerate or puncture.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

Statement of Practical Treatment

If On Skin: Wash with plenty of soap and water. Get medical attention. **If In Eyes:** Flush with plenty of water. Get medical attention if irritation persists. **If Swallowed:** Contact a physician or poison control center immediately. **If Inhaled:** Remove person to fresh air. Apply artificial respiration if indicated. Contact a physician if warranted.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near fire, sparks or heated surfaces. Do not smoke while using this product. Do not spray near gas appliances. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.
