DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Treats Four 10 x 10 Carpets

Enforcer® Flea Killer for Carpets II [This powder] is a quick-acting flea and tick killing carpet deodorizer. This dry, fresh scented powder works on all types of floors, floor coverings and upholstered furniture to kill fleas, ticks, lice, ants, silverfish and roaches. At the same time it overcomes household odors, leaving a clean, fresh [description of fragrance] smell. **Enforcer® Flea Killer for Carpets II** [This product] is perfect for periodic treatments of any upholstery, carpet or adjacent flooring exposed to your pet.

Shake well before using as some settling may occur during shipment. Sprinkle **Enforcer® Flea Killer for Carpets II** [This product] evenly and lightly over carpet and adjacent floors by gently shaking container from side to side. Wait 30 minutes then vacuum. If ticks are present leave powder on surface for two hours before vacuuming. Treat only surfaces that can be vacuumed. Do not use on wet spots. If product adheres to a wet spot, rub with a stiff brush or cloth, allow to dry, then vacuum.

Storage and Disposal

Storage: Store in a cool, dry (preferably locked) storage area inaccessible to children and pets . **Disposal:** If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-Cleanup for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing dust and contact with eyes, skin or clothing. Thoroughly wash with soap and water after use . Do not contaminate feed, water or foodstuffs. Remove pets and birds and cover fish aquariums before use. Keep children and pets off treated surfaces during application and until surfaces are vacuumed.

First Aid

If Swallowed	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice.
If in Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also contact 1-800-xxx-xxxx for emergency medical treatment information.]

{Note: The First Aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

If in the event of an animal-related emergency, call the national Animal Poison Control Center at 1-800-345-4735.

This container is filled by weight, not by volume. You can be assured of the proper weight even though some settling of contents normally occurs during transportation and handling.
