No. **40849-A5**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product will kill Cockroaches, Houseflies, Confused Flour Beetles, Saw-toothed Grain Beetles, Rice Weevils, Small Flying Moths, Fleas, Ticks, Pill Bugs, Crickets and Black Widow Spiders.

Cover exposed food dishes and food-handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close door and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet (for products marketed in 7.5 oz. container) or 5,000 cubic feet (for products marketed in 6.0 oz. container) of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before reentry.

TO OPERATE VALVE: Place several layers of newspaper or a pad on a stand or table in the center of the room. For automatic discharge, lock valve in open position by pressing valve button all the way down, hooking the catch. Then place fogger on stand or table (in center of room) with valve locked open. Leave building at once and keep building closed for four hours before airing out. Open all doors and windows and allow to air or 30 minutes. Repeat treatment in two weeks or when necessary.

TO KILL TICKS and FLEAS: Destroy old pet bedding and replace. Use product as above. Do not use this product on pets. Treat pets with an ENFORCER flea & tick control product registered for use on pets.

STORAGE: Store in a cool, dry place (preferably locked) inaccessible to children and pets and away from direct sunlight, flames and other sources of heat or ignition. **DISPOSAL:** Replace cap, wrap container in several layers of newspaper and dispose in trash. Do not incinerate or puncture.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid breathing vapors. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid contamination of food and foodstuffs. Wash thoroughly with soap and warm water after handling. Do not use in commercial food processing, preparation, serving or storage areas. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Remove pets, birds and cover fish aquaria before spraying.

Statement of Practical Treatment

If Swallowed: Do not induce vomiting due to aspiration hazard. Call a physician or Poison Control Center immediately. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated. Contact a physician if necessary. **If On Skin:** Immediately remove contaminated clothing. Wash affected areas of skin with soap and warm water. Contact a physician if irritation persists. **If In Eyes:** Flush eyes with plenty of water. Contact a physician if irritation persists.

Physical or Chemical Hazards

Flammable. Contents under pressure. Do not use or store near fire, sparks or heated surfaces. Do not smoke while using this product. Turn off pilot lights in gas appliances in the use area. After airing out phase is completed, relight pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting. Incineration of container may cause explosion. Solvents may cause damage to some plastics.
