**Water-Based Level 1 Aerosol**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Enforcer® Flea Spray for Carpets & Furniture XX** kills fleas and ticks and contains a unique combination of ingredients that kills adult fleas, flea eggs and larvae. One of these ingredients, **Fleacar® [Fleacor®] [FGR®]**, kills fleas by preventing their development into the adult biting stage. It reaches fleas hidden in carpets, rugs, drapes, upholstery, pet bedding and floor cracks. This product ultimately protects your home from reinfestation while protecting your family and pets from bites. A treatment with this spray provides continuous flea protection for up to 120 days (4 months) and leaves no objectionable odor or sticky mess. When used as directed, this product will not stain furnishings and carpeting.

**Fleas, Ticks and Carpet Beetles: Shake well. Only for indoor use .** Hold can 2 or 3 feet from surfaces to be treated. Treat all carpeted areas and all baseboards of hard surfaced floors. Spray underneath furniture, sofas, chairs and beds. Evenly apply a fine mist or spray to carpets, rugs, drapes and all surfaces of upholstered furniture by using a wide, sweeping motion. Do not saturate surfaces. Treat pet bedding, a primary hiding place for fleas. No need to remove pet bedding after treatment. Retreat as necessary. **Do not spray humans or pets with this product.** Use an Enforcer® product registered for flea control on pets in conjunction with this treatment. Do not re-enter treated areas until completely dry.

The flea pupae (cocoon) stage is not affected by this product because the cocoon is very difficult to penetrate. Repeat treatments and daily vacuuming to kill fleas newly emerged from the pupae stage.

**Storage and Disposal**

**Storage:** Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from heat, open flame or other sources of ignition. **Disposal:** Do not incinerate or puncture! **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency or 1-800-Cleanup for disposal.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Harmful if swallowed or absorbed through skin. Do not breathe vapors or spray mist. Avoid contact with skin, eyes or clothing. Thoroughly wash with soap and water after use. Do not contaminate food or foodstuffs. Do not use in commercial food processing, preparation, food or serving areas. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Cover or remove exposed food . Remove pets, birds and cover fish aquariums before spraying.

**First Aid**

|                               |  |
|-------------------------------|--|
| <b>If Swallowed</b>           | <ul style="list-style-type: none"> <li>• Immediately call a poison control center or doctor for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul> |
| <b>If Inhaled</b>             | <ul style="list-style-type: none"> <li>• Move person to fresh air</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>  |
| <b>If on Skin or Clothing</b> | <ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>  |
| <b>If in Eyes</b>             | <ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>  |

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also contact 1-800-xxx-xxxx for emergency medical treatment information.]

{Note: The First Aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

**If in the event of an animal-related emergency, call the national Animal Poison Control Center at 1-800-345-4735.**

**Physical or Chemical Hazards**

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.

This container is filled by weight, not by volume. You can be assured of the proper weight even though some settling of contents normally occurs during transportation and handling.
