Enforcer Products  
A Division of Acuity Specialty Products Group, Inc.  
1310 Seaboard Industrial Blvd.  
Atlanta, GA 30318

Subject: Label Notifications for Pesticide Registration Notices 2007-4

Dear Ms. Dixon,

The Agency is in receipt of your Applications for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated February 3, 2009 for the following products:

<b>Enforcer Ant &amp; Roach Killer III</b>	<b>EPA Registration Number 40849-33</b>
<b>Enforcer Flea Fogger XX</b>	<b>EPA Registration Number 40849-56</b>
<b>R &amp; M Carpet Powder #6</b>	<b>EPA Registration Number 40849-61</b>
<b>Enforcer P002-082797-RMP</b>	<b>EPA Registration Number 40849-72</b>
<b>Enforcer RoachMax™ Bait Stations</b>	<b>EPA Registration Number 40849-76</b>
<b>Enforcer Fire Ant Bait</b>	<b>EPA Registration Number 40849-79</b>
<b>Enforcer BugMax Home Pest Control</b>	<b>EPA Registration Number 40849-80</b>

The Registration Division (RD) has conducted its review of these requests for their applicability under PRN 2007-4 and finds that the label changes requested fall within the scope of PRN 2007-4. The labels submitted with the applications have been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please call me directly at 703-305-6249 or Steve Schaible of my staff at 703-308-9362.

Sincerely,

Linda Arrington *for*

**Keep Out of Reach of Children  
CAUTION  
See back panel for additional precautionary statements.**

**NET WEIGHT: 5 Oz. (142 g.)  
[NET Contents: Two [Three] [Six] 5 OZ. (142g) FOGGERS]**

{Back Panel}

**Water Based      Level 1 Aerosol**

**Shake Well Before Use. Keep Container Upright.**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use to kill Ants, Cockroaches, Crickets, Fleas, Houseflies, Mosquitoes, Rice Weevils, Saw-Toothed Grain Beetles, Small Flying Moths and Ticks. Prevents flea larvae maturation for up to 7 months (210 days).

Cover exposed food, dishes and food-handling equipment. Open cabinets and doors in area to be treated. Shut off fans and air conditioners. Close doors and windows. Use one unit for each 5,000 cubic feet of unobstructed area. Do not remain in the area during treatment and thoroughly ventilate before re-entry. Vacuum all carpeted areas 24 hours after treatment.

**Do not** use more than one fogger per room. **Do not** use in small, enclosed spaces, such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off **all** ignition sources, such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

**To operate valve:** Place several layers of newspaper or a pad on a low stand or table in the center of the room. Be sure to cover entire surface of stand or table to prevent damage. Point valve opening away from face and eyes when releasing. Lock valve in open position by pressing valve button all the way down, hooking the catch. Then place fogger on stand or table (in center of room) with valve locked open. Leave building at once and keep building closed for four hours before airing out. To air out, open all doors and windows and allow to air for 30 minutes before reoccupying. Repeat treatment as necessary.

**To Control Ticks and Fleas:** Discard and replace pet's old bedding. Use product as above. Do not use this product on pets. Prior to reentry, treat pets with an Enforcer flea and tick control product registered for use on pets. Repeat as necessary to bring infestation under control.

Foggers alone will not control fleas and ticks. To control Fleas and ticks, simultaneously treat the pet and its inside and outside living areas. [To effectively control fleas and ticks, treat your pet, home and yard. In addition, the fogger mist may not reach underneath large pieces of furniture (such as beds, sofas, etc.). Treat these areas with a direct spray product registered for flea and tick control in these areas.

**For Use in Federally Inspected Meat and Poultry Plants:** For application only in inedible product and non-processing areas, including areas such as garbage rooms, lavatories, entries, vestibules, offices, locker rooms and boiler rooms. Precautions must be taken to prevent introduction of insecticide or affected insects from entering edible product processing or storage areas. Prior to discharge, be sure to seal area (close windows and doors) and shut of ventilating systems. Items such as clothing and equipment in treatment area cannot be taken into edible product and processing areas after treatment unless thoroughly washed and rinsed after treatment. Use product as above.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed or absorbed through skin. Do not breathe vapors or spray mist. Avoid contact with skin, eyes or clothing. Avoid contamination of food or foodstuffs. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Cover or remove exposed food. Remove pets, birds and cover fish aquariums before spraying.

**First Aid**

<b>If Swallowed</b>	<ul style="list-style-type: none"> <li>• Immediately call a poison control center or doctor for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in Eyes</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also contact 1-xxx-xxx-xxxx for emergency medical treatment information.]	

**Physical or Chemical Hazards**

**Highly Flammable Ingredient**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause fire or explosion if not used properly. Follow the *Directions for Use* on this label very carefully.

**Storage and Disposal**

**Storage:** Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from heat, flame or other sources of ignition. Do not incinerate or puncture! **Disposal:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

Products must bear a batch code. This is a lot number or other code used by the registrant or producer to identify the batch of the pesticide product distributed and sold.

Fleacor®, Flealar®, Flea Growth Regulator® and FGR® are Registered Trademarks of Enforcer Products  
NYLAR is a Registered Trademark of McLaughlin Gormley King Company
