Office of Pesticide Programs  
Registration Division (7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg.  
Number:

40849-60

Date of Issuance:

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration

Term of Issuance:

Conditional

Name of Pesticide Product:

Enforcer Next Day  
Grass & Weed Killer II

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Enforcer Products, Inc.  
P.O. Box 1060  
Cartersville, GA 30120

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes before you release the product for shipment:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 40849-60".

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Signature of Approving Official:

Date:

OCT 2

page 2

EPA Reg. No. 40849-60

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans & Domestic Animals

**CAUTION:** Harmful if swallowed, inhaled or absorbed through the skin. Repeated contact with skin or contact with open cuts or sores may increase the hazards associated with the product. Avoid contact with skin. Do not breathe spray mist. Wear protective clothing when handling this product including long pants, long sleeved shirt, and impermeable gloves and boots. Wash clothing before reuse. Wash hands after using and before eating or smoking. Avoid contamination of feed and foodstuffs. Keep children and animals off treated areas until spray has dried or has been washed into the soil.

#### Statement of Practical Treatment

**If Swallowed:** Call a physician or poison control center immediately. Induce vomiting by giving person 1 or 2 glasses of water and touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person. **If Inhaled:** Remove person to fresh air. Apply artificial respiration if needed. Contact a physician if warranted. **If On Skin:** Remove contaminated clothing and wash before reuse. Wash affected area with soap and water. Get medical attention if irritation persists. **If In Eyes:** Flush eyes with plenty of water. Get medical attention.

#### Environmental Hazards

Do not contaminate water when disposing of equipment washwaters. Do not spray or allow to drift onto food, forage, vegetables, ornamentals or other desirable plants. Do not apply when weather conditions favor drift from target areas. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not feed or graze treated foliage to livestock. This product is toxic to fish and wildlife. Birds and other wildlife in treated area may be killed.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a location (preferably locked) inaccessible to children and pets. **DISPOSAL:** Do not reuse empty container; wrap in several layers of newspaper and put in trash.

#### WHERE TO USE

As a lawn edger, around patios, driveways, paths and walkways, for weeds in tree wells, around shrubs and flower beds, around and beneath fences; over ground covers such as gravel, bark or peat moss, on parking lots and other similar non-crop areas where weeds become troublesome.

#### USE FOR "SPOT" WEED CONTROL

Use as a "spot weed treatment" in lawns or at the edges of areas wherever weeds or creeping grasses, such as Bermuda or St. Augustine, present a problem. For best results, treat the center growth of weeds in the early growing stage when moisture and high temperatures are promoting vigorous growth.

**PARTIAL LISTING OF WEEDS:** Annual Blue Grass, Chickweed, Crabgrass, Florida Pusley, Foxtail, Garden Spurge, Goosegrass, Henbit, Knotweed, Lambsquarter, Mayweed, Oxalis, Pigweed, Prickly Lettuce, Purslane, Puncture Vine, Redroot Pigweed, Sandspur, Shepards Purse, Sowthistle, Smartweed, St. Augustinegrass, Velvetweed, Wild Geranium and grasses which creep over, under or around lawn edging; and that have grown-up through paved patios, walkways and driveways such as Bahia Grass, Bermudagrass, Centipedegrass, St. Augustinegrass and Zoysiagrass.

#### GENERAL INFORMATION

This product is a ready to use effective general weed killer which provides control of annual weeds and grasses. It gives effective top kill of troublesome perennial broadleaf weeds. One treatment will kill susceptible annual weeds. Respray perennial weed "top-growth" if patches of green reappear. If perennial weeds growth is a serious problem, ask your Dealer for a "residual" or a "bare ground" type weed killer.

#### HOW TO APPLY

Shake contents. Apply directly from this container by pointing down at weeds or grass to spray, using enough liquid to completely wet the weed or grass foliage that you want to kill. Kills the above ground weed and grass growth as a contact killer. Desirable plants, if accidentally sprayed, may be saved by immediately washing off the spray or pruning the area touched by the spray.

**NOTICE:** Buyer and user assume all risk and liability of use, storage and/or handling of this product not in accordance with the terms of this label.
