**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Read the Entire Label Before Using. Use Only in Accordance with Label Precautions and Directions.**  
**Shake Well Before Using.**

**AT Weed and Grass Killer RTU** is a fully systemic, non-selective weed killer that will kill most annual and perennial weeds, grasses and unwanted vegetation. Use on sidewalks, driveways, patios, fence lines, around trees, shrubs . . . even in your flower beds to kill unsightly grasses and weeds.

**AT Weed and Grass Killer RTU** is rainfast in as little as 4 hours. If rainfall does not occur within 4 hours following application, the reapplication is not necessary.

**For Spot Treatment of Individual Weeds:** Adjust sprayer nozzle to a coarse spray. Apply only when the air is calm to avoid spray from drifting to desirable plants. Position sprayer 12 to 18 inches from weeds. Apply until thoroughly covered.

**Important:** This is a non-selective weed killer and should not be used for spot weed control in lawns. It kills all green plants, including lawn grass. If accidental spraying occurs, immediately wash plant off with water. If spraying in or near flowers, place a piece of cardboard between the weed and flower to prevent accidental splashing. Treated areas may be replanted with ornamentals or flowers one day following treatment.

**When to Use**

Use anytime weeds and grasses are actively growing. Treated weeds may show initial symptoms within 6 hours and complete kill in 1 to 2 weeks. Larger, more established weeds may need an additional week for complete kill. Product works best in warm, sunny weather with daytime temperature above 55°F. For best results, apply to weeds and grasses that are actively growing. Reapply if rainfall occurs within 4 hours.

**Where to Use**

**For General Weed Control:** Use along fences, patios, sidewalks, driveways, around trees, shrubs, ornamental plantings, flower beds and brick or gravel driveways. Use to trim and edge landscape areas. This is a non selective weed killer and should not be used for spot weed control in lawns. It kills all green plants, including lawn grass.

**For Spot Spraying:** Use on actively growing weeds in and around flower beds, ornamental trees, fruit and nut trees, grapevines, shrubs, fences, driveways and sidewalks. Spray when the air is calm to avoid accidental drift on desirable plants. If necessary, use cardboard or plastic to shield plants.

**For Landscaping:** Use to prepare areas for planting of ornamental trees, shrubs, rock gardens or flowerbeds. Product may be sprayed over the root zones of desirable plants.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing.

**When applying this product:** Wear long-sleeved shirt, long pants, socks, shoes, rubber gloves and goggles. **After using this product:** Rinse gloves before removing. Remove clothing and launder separately before reuse. Promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower. Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment areas until spray has dried.

**FIRST AID**

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-740-8712 for emergency medical treatment information.

If in eyes	<ul style="list-style-type: none"> <li>•Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>•Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> </ul>
------------	---

**Environmental Hazards**

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and non-target plants. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters or rinsate.

**Storage and Disposal**

**Storage:** Store this product only in its original container and store in an area out of reach of children and pets. Do not allow this product to freeze. **Disposal:** Do not reuse container. Securely wrap in several layers of newspaper and discard in trash. **If empty:** Do not reuse this container. Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Spill or Leak:** In case of spill or leak, soak up spills with cat litter. Sweep cat litter into a plastic bag then discard in trash.

**RE: AT Weed and Grass Killer RTU .  
EPA Reg. No. 40849-71**

**Subject: Label Update and Notification per PR Notice 2001-6**

Dear Ms. Miller:

On behalf of our client, **Enforcer Products, Inc.**, we are submitting an application for a Notification to update the label and to comply with the PR Notice 2001-6. Enclosed you will find:

1. EPA Application for Pesticide (EPA Form 8570-1).
2. One (1) copies of the revised label.

We are specifically requesting that we receive an EPA Stamped Label so that our files may be updated to reflect this current amended label.

Should you have any questions, please do not hesitate to contact me. I may be reached in our North Carolina office at E-mail: [ATS-NC@nc.rr.com](mailto:ATS-NC@nc.rr.com) or (919) 848-8872.

Sincerely,

**ADAMS TECHNOLOGY SYSTEMS**
