General Classification

It is a violation of Federal Law to use this product
with its labeling

To kill roaches, sprinkle ROACH-A-CIDE in and around
refrigerator, dishwasher, washing machine, hot water
pipes, and where ever roaches may be hiding. When ROACH-
A-CIDE will kill roaches within 10 days and their nests.

APPLY ONLY IN AREAS INACCESSIBLE TO CHILDREN

ROACH A CIDE is effective because it adheres to the
roach's body and is carried thru it. Since the powder works slowly, the roach
returns back to his nest where he dies along with the rest of his family.
