

CAUTION!

Keep out of reach of children.

Harmful if swallowed.

Avoid breathing spray mist.

Do not get on skin, eyes or clothing. In case of contact, immediately remove contaminated clothing and flush skin or eyes with plenty of water; for eyes, get medical attention.

Avoid contamination of feed, food-stuffs and drinking water.

Avoid wetting the hides of animals.

May corrode metal spray equipment.

Flush sprayers out occasionally with kerosene to prevent possible corrosion.

Use waterproof gloves when handling concentrate.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CONTAINER DISPOSAL: Do not reuse empty container. When container is empty, immediately wash thoroughly and destroy. Never re-use.

Store in cool, dry place.

Keep pesticide in original container. Do not put into food or drink containers.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

N 1% Fly and Mosquito Spray is suitable for use in Flit Guns, Microsol Foggers, Heat Generating Foggers, Dairy Barn Foggers, Hydro-Guns or suitable automatic atomizing application equipment.

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur.

Do not apply when weather conditions favor drift from areas treated.

Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

USE UNDILUTED: Apply as a finely atomized space spray using applicator adjusted to produce particle sizes not smaller than 30 microns.

GENERAL USE: In and Around Houses, Open Air Theaters, Restaurants, Drive-Ins, also in and around Dairy Barns, Livestock Barns, Pig Pens, Poultry Houses, Feed Lots, Cattle Pens, Horse Stables, Garbage Dumps, Outside Meat Packing Establishments (including Federally Inspected) for control of Resistant and Non-Resistant Houseflies, Lesser Houseflies, Mosquitoes, Gnats. Direct spray throughout the fly infested areas, spraying around and above animals but not directly at animals. Repeat as necessary. Do not use in milk processing rooms. Do not use fog applications in dwellings and restaurants.

DAIRY BARN FOGGERS: Resistant and Non-Resistant Houseflies, Lesser Houseflies, Mosquitoes, Gnats: Use approximately 1 ounce of N 1% Fly & Mosquito Spray to 3000 cubic feet of space. Close all doors and windows where possible before fogging. Cows may be in barn during fogging operations. Apply around and above animals but not directly at animals.

POULTRY PROCESSING AND PACKING PLANTS: Around Outside and in Inedible Product Areas Inside Buildings: Direct spray throughout the fly infested areas. Repeat as necessary. Exposed food products and packaging materials must be removed from the room or protected. After using this material, equipment and utensils must be thoroughly rinsed with potable water before operations are resumed.

WINERIES, CANNERIES, CIDER MILLS, FOOD PROCESSING PLANTS, LOADING DOCKS, CULL PILES, REFUSE AREAS: Drosophila (Fruit Fly)—Spray as necessary contacting walls, floors, doorways, windows, refuse piles and cull piles except those for stock feed. Avoid contamination of feeds, foodstuffs and food processing machinery. Do not apply in the edible product areas of food processing plants.

ROACHES (Water Bugs)—Spot Application Only: For Control of All Species of Resistant and Non-Resistant Cockroaches, Including German, Brown-Banded, Oriental and American Roaches in and around Dwellings, Dairies, Barns and Other Buildings where Roaches Exist—Apply as a coarse spray to areas infested by roaches to contact insects as much as possible. Treat as necessary applying to cracks, crevices, hiding places and adjacent exposed surfaces where insects may be contacted. Do not apply in the edible product areas of food processing plants.

WARRANTY AND LIMITATION OF DAMAGES. Helena Chemical Company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale, subject to the inherent risks referred to therein. Helena Chemical Company makes no other express or implied warranty, including any other express or implied warranty of **FITNESS** or of **MERCHANTABILITY**, and no agent of Helena Chemical Company is authorized to do so except in writing with a specific reference to this warranty. Any damages arising from a breach of this warranty shall not include consequential commercial damages such as loss of profits or value, etc.
