### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Only for formulation into a fungicide for (1) the following uses: turf grasses and seed treatment of cotton, beans, soybeans and sugar beets; (2) uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and (3) uses for experimental purposes that are in compliance with USEPA requirements.

Lot No.

Net Weight: 50 Lbs.

This product is toxic to fish. Do not discharge into lakes streams, ponds or public water except in accordance with an NPDES permit. For further guidance, contact the nearest EPA Regional Office.

#### PHYSICAL OR CHEMICAL HAZARDS

Keep away from excessive heat. Avoid storage near steam pipes or radiators.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**Storage:** Reclose container after each use. Store in a cool, dry place away from food or feed. If spilled, sweep up and dispose of as below.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Completely empty container into application equipment. Then dispose of the container in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

#### CANADIAN USERS

Canadian users of this product should dispose of unwanted product and containers in accordance with municipal or provincial regulations.

**Notice To Formulators:** Technical information for this product is available from the manufacturer on request.  
Formulators using this product are responsible for obtaining EPA registration for their formulated product.
