NOT REVIEWED  
In Accordance with PR Notice 02-2  
Based on Draft Labeling Label

41104-1

PM31

1082

Mildew Stop emits an invisible vapor which kills mildew and its musty odors. Mildew Stop protects clothing, shoes, luggage, golf bags, boat interiors, lockers, leather, books and paper. Do not store with film or plastic articles. Do not use in refrigerator or food containers. Garments should be dry before exposure to Mildew Stop.

**DIRECTIONS:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove outer bag and place inner bags in area to be protected. One 1.5 oz. bag will protect a 150 sq. ft. area depending on air circulation. Replace when evaporated.

**NOTE:** If used in enclosed area, ventilate thoroughly before entering since concentrated vapors can be irritating.

**DANGER:** Causes irritation. Do not get in eyes, on skin or clothing. Fatal if swallowed. If in eyes, flush with plenty of water. Get medical attention. If on skin, wash with plenty of soap and water. If swallowed, promptly drink a large quantity of milk, egg whites, gelatin solution, or water. Call a physician.

**DISPOSAL:** Wrap empty bag and discard in trash

**ACTIVE INGREDIENT:**  
Paraformaldehyde . . . . 91%

**INERT INGREDIENT . . . . 9%**
