

DEC 16 1988

Sunshine Chemical Company  
201 Route 17 North  
Rutherford, NJ 07070

Attention: Thomas Mancini

Gentlemen:

Subject: Sunshine Ready To Spray Disinfectant  
EPA Registration No. 41260-48  
Your Submission Dated October 5, 1987  
EPA Received Date October 20, 1987

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions about this letter, please contact Karen Leavy at (703) 557-3966.

Sincerely yours,

John H. Lee *[Signature]*

Net Contents: Gallon

EPA Reg. No. 41260-48  
EPA est. No. 41260-NY-1

ACCEPTED  
with COMMENTS  
in EPA Letter Dated:

DEC 16 1988

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

An effective disinfectant cleaner and deodorant for hospitals, homes, motels, hotels, schools, nursing homes, nurseries, factories, business and industrial buildings, restaurants, food plants, boats, campers, automobile, and airplane interiors.

Cleans deodorizes porcelain, tiling, grouting, stainless steel, enameled surfaces, woodworks, formica, leather, vinyl, and plastic.

Use it on counter tops, stove tops, exhaust fans, washable walls, sinks, shower stalls, bed frames, vinyl, leather and plastic upholstery.

1. **Cleaning & Deodorizing:** Hold sprayer nozzle 6 to 8 inches from the surface to be cleaned. Thoroughly wet the area. Allow the solution to penetrate for about one minute and then wipe away the soil with a clean cloth or sponge. The wiping cloth may be predampened with water or with this product.
2. **For Disinfection:** Before disinfecting, preclean the surface as in step 1 above. Then apply enough fresh solution to thoroughly wet the surface. Allow the disinfecting solution to contact surfaces for 10 minutes before wiping or rinsing the treatment from the surfaces.
3. **For Mildew:** Follow directions for disinfection. Repeat treatment every 2 weeks or when mildew growth first reappears.

**STORAGE & DISPOSAL:**

Store only in tightly closed, original container in a secure area inaccessible to children and away from food or feed.

Do not reuse empty container. Rinse quart or gallon containers thoroughly, before discarding in trash.

For 5 gallon pails or 55 gallon drums, triple rinse. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary land fill.

ACCEPTED

DEC 10 1988

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND  
DOMESTIC ANIMALS  
CAUTION**

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act as  
amended, for the pesticide  
registered under EPA Reg. No.

**Causes eye irritation. Avoid contact with eyes, skin, or clothing.  
Avoid contact with foods. Wash thoroughly with soap and water  
after handling.**

Contact physician immediately.
