 *(Faint text)*

**NOTE:** Change in labeling formula, formula, or substance from that accepted in connection with the registration must be submitted and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

In the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Re-registration is returned herewith.

Registration in any way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, at his discretion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act does not constitute, as against the registrant, a right to exclusive use of the name or trademark if it has been covered by others.

The registration of a pesticide under this Act does not constitute a warranty, approval, or endorsement by the Agency of the quality, safety, or effectiveness of the pesticide. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act.

The registration of a pesticide under this Act does not constitute a warranty, approval, or endorsement by the Agency of the quality, safety, or effectiveness of the pesticide. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act.

The registration of a pesticide under this Act does not constitute a warranty, approval, or endorsement by the Agency of the quality, safety, or effectiveness of the pesticide. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act. The Agency does not warrant, approve, or endorse the quality, safety, or effectiveness of any pesticide registered under this Act.

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER** Corrosive. May cause severe skin irritation or chemical burns to broken skin. Causes eye damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until odors have dissipated.

**ENVIRONMENTAL HAZARD** This peroxide is toxic to fish. Keep out of lakes, streams or ponds. Treated effluent may not be discharged into lakes, streams, ponds or public waters without a valid discharge permit. For guidance, contact the regional office of the Environmental Protection Agency.

**PHYSICAL AND CHEMICAL HAZARDS** STRONG OXIDIZING AGENT. Mix only with water according to label directions. Mixing this product with gross filth such as feces, urine, etc. or with ammonia, acids, detergents or other chemicals may release hazardous gases or fumes to eyes, lungs and mucous membranes.

**FIRST AID** If on skin, wash with plenty of warm water. If in eyes, flush with water for at least 15 minutes. Get medical attention. If swallowed, drink large quantities of milk or plain water or, if these are not available, drink large quantities of water. Do NOT give vomit or other fluids. Do NOT induce vomiting. Get physician's attention.

**STORAGE AND DISPOSAL**

Retain in original container only. Store in a cool, dry area away from direct sunlight. In case of spill, flood area with large quantities of water. Rinse empty container thoroughly with water and either return to manufacturer or discard by packing in trash collection or burying in an approved landfill. Product or residue that cannot be used should be diluted with water and disposed of in a sanitary sewer. Do not contaminate water, food or feed by storage or disposal or cleaning of equipment.
