<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to, and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p>		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p style="text-align: center;">Based on the General Registration Standard – “Guidance for the Registration and Reregistration of Pesticide Products Containing sodium or calcium Hypochlorite as the Sole Active Ingredient” – issued February 1986 and revised April 1986, EPA has registered the product listed above. This registration is granted under the authority of FIFRA section 3(c)(7).</p> <p>Make the labeling changes listed below before you release the product for shipment:</p> <ol style="list-style-type: none"> a. Add the phrase “EPA Registration Number 41504-20002”. b. A hypochlorites reregistration document has been issued which lists several labeling comments that supersede certain statements in the older hypochlorites Registration Standard. In addition, PR Notices have been issued that require additional changes. Even though you won’t be submitting your labeling for Agency review, your labeling nevertheless must be in compliance with all applicable labeling materials. Please submit a sample product label for the record. <p>As you are aware, as part of your response to the Guidance Document, you submitted a statement of “certification for General Registration/Reregistration for Hypochlorite Products” in which you certified that your product meets the criteria for registration under this standard. Failure to comply with this certification may result in the Agency’s issuance of a Notice of Intent to Cancel the registration under FIFRA section 6(b)(1).</p>
