Original B⁺

Humidifier Bacteria-Algae Treatment is a bacteriostat which can prevent the buildup of bacteria and algae in water tanks of manually filled evaporative humidifiers.

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Drain tank and clean with **HEMOCLEAN[®]**.

Humidifier Cleaner: When refilling the tank add 1/4" of a ounce (approx. 1/4 of the cap) of the Original B⁺ Humidifier Bacteriostat. Treatment for every gallon of water. Repeat the process when refilling the tank.

NOTE: Use HUMIDITREAT™ to eliminate tank scale buildup on tank and filter to ensure longer, efficient, trouble free performance for your humidifier. Use HEMOCLEAN™ regularly to clean humidifier.

NOTICE: Since the use of this product is beyond the control of either liability or damages, either incidental or consequential, shall be limited to replacement of the product.

WARNING: KEEP OUT OF REACH OF CHILDREN. Causes severe eye and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For food, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

IN CASE OF EMERGENCY, PLEASE CALL YOUR LOCAL POISON CONTROL CENTER.

DISPOSAL: Do not reuse container. Recycle and put in trash.
