<b>Total.....</b>	<b>100.000%</b>

 **DANGER: KEEP OUT OF REACH OF CHILDREN**  
32 FL. OZ. (1QT), 0.946 L. PART #3BT

NET WT 9.064

**DIRECTIONS:** When filling the tank of an ounce (approx. 1/4 of the cap) of Humidifier Bacteriostatic Treatment for each quart of water. Repeat the process when refilling. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**NOTICE:** Since the use of this product is beyond the control of the seller, liability or damages, either incidental or consequential, shall be limited to replacement of the product.

**STORAGE AND DISPOSAL:** Store in original container in areas inaccessible to individuals unfamiliar with its use. Do not reuse container. Discard in trash.

**FIRST AID:** Have product container and label when contacting poison control center, doctor, or hospital for treatment.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye.

**IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

- Burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles or face shield), protective clothing, and rubber gloves. Harmful if swallowed. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.
