

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Avoid contamination of feed and foodstuffs. The use of this product in food processing establishments should be confined to time periods when the plant is not in operation. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Remove pets, birds, and cover fish aquaria before spraying. Do not apply as a space spray while food processing is underway. Except in Federally inspected meat and poultry plants, when applied as a surface spray with care and in accordance with the directions and precautions given above, food processing operations may continue. Foods should be removed or covered before treatment. Thoroughly wash all food processing surfaces before reuse. In Federally inspected meat and poultry plants, all surfaces in processing area must be washed and rinsed in portable water after spraying. In other food processing plants, if washing of equipment, benches, shelving, etc. where exposed food will be handled is impractical do not allow food to come in contact with treated surfaces for at least 48 hours.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not store near heat or open flame.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as directed on the label.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This ready-to-use concentrate may be dispersed through good mechanical, thermal or compressed air fogging or spraying equipment. If used in edible product areas of federally inspected meat, poultry, shell egg grading and egg products establishments, it must be dispersed as an aerosol spray (no droplets over 50 microns in diameter and 90% less than 300 microns).

**PYRENONE  
SPACE SPRAY**

An Effective Semi-Concentrated PYRENONE® Insecticide

**DIRECTIONS FOR USE (Con.)**

The use of this product as a space spray in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment and thoroughly cleaned before using. Remove pets, birds and cover fish aquariums before spraying.

**SPACE TREATMENT:** Close doors and windows and shut off ventilating systems. Apply as a fog or fine mist, distributing the spray throughout the area. Use a rate of 1 ounce per 1000 cubic feet of space. Direct spray behind and under obstructions and contact crawling insects whenever possible. Keep area closed for 10 to 15 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment as necessary.

The above described application will kill accessible exposed stages of small flying moths and flies, including fruit flies, mosquitoes, silverfish, grats, crickets, roaches, spiders, scorpions, wasps, hornets, clover mites, cheese weevils, rice weevils, confused flour beetles, saw-toothed grain beetles, spider beetles, cigarette beetles, Drugstore beetles, Angonois grain moths, Mediterranean flour moths, Indian meal moths, Tobacco moths, meal worms and grain mites.

**SURFACE APPLICATION:** To insure maximum control of crawling insects listed, apply as a coarse mist directed toward insects, into cracks, crevices, around machinery, around containers of stored products and other areas wherever these insects may hide. Repeat as necessary.

**STORAGE AND DISPOSAL**

Do not reuse empty container. Wrap container and put in trash collection.

**ENVIRONMENTAL AND DISPOSAL CAUTIONS**

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.
