## DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO KILL FLEAS AND TICKS ON DOGS AND CATS AND IN ANIMAL QUARTERS:** Spray directly on animal around neck, along back on abdomen, under forelegs and on other areas where flea and/or tick infestation is observed. Part hair to contact skin and insure good coverage. Hold sprayer about one foot away from animal during application. Apply until skin and hair are thoroughly moist. Do not spray in eyes, nose or mouth of animal.

**TO REDUCE REINFESTATION OF ANIMAL:** thoroughly spray the animal's bedding and other resting areas. Spray entire inside surface of dog houses. REPEAT AS OFTEN AS NECESSARY.

**STORAGE AND DISPOSAL:** Store at temperatures above 32°F. Do not reuse empty container. Wrap container and put in trash collection.

**WARRANTY STATEMENT:** Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse or such, or in combination with other materials.
