SynerKyl Creme Rinse

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

DVM Pharmaceuticals, Inc.  
8785 NW 13th Terrace  
Miami, FL 33172

161/433754  
171

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name, or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase, "EPA Registration No. 41835-10".
- b. The term **ectoparasites** is too broad. Please specify what pests are affected by the product.
- c. Revise the Hazards to Humans and Domestic Use, Humans, incorporating the highlighted areas as follows:

Humans: Harmful is absorbed through skin or inhaled. Avoid prolonged contact with skin. Wear gloves when applying this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. For animal use only. Not for human use.

- d. Incorporate the statement, **"Wear gloves when applying this product."**, into the Directions For Use.
- e. Under the Statement of Practical Treatment, add the following treatment:  

IF INHALED:      Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention.
- f. Change the statement, **"Keep out of lakes, ponds, or streams."** to **'Do not apply directly to any body of water.'**

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

4. The acute inhalation (MRID 426201-01) was found acceptable as core minimum data and assigned Toxicity Category III. A copy of the review is enclosed for the rationale for this rating.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca  
Product Manager 13  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

## SynerKyl Creme Rinse

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO USE:** For best results, it is important the skin and coat be clean before applying SynerKyl Creme Rinse. Therefore, bathe pet with a quality product such as synerKyl, DuraKyl or HyLyt Shampoo. Rinse shampoo thoroughly from the animal's haircoat and, while still wet, apply 2-3 cc (1/2 tsp.) over a small area and work in well. Repeat procedure, area by area, until haircoat has been completely treated. Allow to remain for 5-10 minutes. Be sure to keep away from eyes. Then rinse thoroughly with water. Reapply every week after routine shampooing, or as necessary to maintain protection from ectoparasites and to maintain luster and manageability of haircoat.

**STORAGE:** Store in original container in a cool, dry place (preferably locked) inaccessible to children and pets. Store above 40°F. **DISPOSAL:** Do not reuse empty container. Wrap and put in trash collection.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans & Domestic Animals

**CAUTION:** Humans: Harmful if absorbed through skin. Avoid prolonged contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. For animal use only. Not for human use. Animals: Avoid prolonged contact with skin. Do not use on old, sick or debilitated animals. Do not use on nursing puppies under 12 weeks of age.

#### Statement of Practical Treatment

**If On Skin (Human):** Wash with soap and water. Contact a physician if irritation persists.

#### Environmental Hazards

This product is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of waste.
