**KEEP OUT OF REACH OF CHILDREN.**

**CAUTION:**  
See side panel for additional precautionary statements.

Net Contents:  
1 Gallon (3.78 L)

**READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS OR CATS.**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO USE:** For best results, it is important the skin and coat be cleaned before applying SynerKyl Creme Rinse. Therefore, bathe pet with a quality product such as SynerKyl, Ectokyl 3x or Hylt Shampoo. Rinse shampoo thoroughly from the animal's haircoat and, while still wet, apply 2.3 cc (1/2 tsp.) over a small area and work in well. Repeat procedure area by area until haircoat has been completely treated. Allow to remain for 5-10 minutes. Be sure to keep away from eyes. Then rinse thoroughly with water. Reapply every week after routine shampooing, or as necessary to maintain protection from fleas, ticks and lice and to maintain luster and manageability of haircoat. Wear gloves when applying this product.

**STORAGE:** Store in original container in a cool, dry place (preferably locked) inaccessible to children and pets. Store above 40°F.

**DISPOSAL:** Do not reuse empty container. Wrap and put in trash collection.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION: Humans:** Harmful if absorbed through skin or inhaled. Avoid prolonged contact with skin. Wear gloves when applying this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. For animal use only. Not for human use. **Animals:** Avoid prolonged contact with skin. Do not use this product on debilitated, aged, pregnant or nursing animals. Do not use on puppies or kittens under 12 weeks of age. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals.

**FIRST AID:** If On Skin (Human): Wash with soap and water. Contact a physician if irritation persists. If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

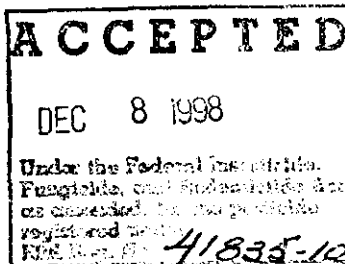

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of waste.
