

Hefty

Dogs and Cats learn quickly to stay away from garbage bags and cans sprayed with HEFTY Dog and Cat Repellent. No more mess from torn bags or tipped-over cans. Saves costly rebagging.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals

Caution
Keep out of reach of children. Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Do not take internally.

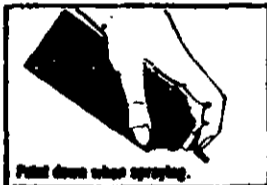

Physical Hazards
Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Directions For Use
General Classification
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS
Do not spray directly on humans, animals, trees, plants, shrubs or flowers. Do not use on furniture, carpeting or fabrics.

APPLICATION DIRECTIONS
1. Remove cap and shake well before using.
2. Apply a 3-5 second spray to both inside and outside of garbage bag or can. To protect several bags or cans, group them closely and spray complete garbage area. For best results, repeat daily.
3. Experience is the best trainer of dogs and cats. As the pets in your neighborhood discover that your treated trash is uninviting, they'll stay away. So the effectiveness of Hefty Repellent increases with repeated usage.

Disposal
Do not reuse empty container. Wrap container and put in trash collection.
