122 C Street, NW Suite 505  
Washington, D.C. 20001

Subject: Label Notification per PRN 98-10 –Minor label changes to the master label per PR Notice 98-10.  
Product Name: SANI-CIDE EX3 (10X) RTU  
EPA Registration Number: 42048-4  
Application Date: April 18, 2018  
Decision Number: 540921

Dear Ms. Koster,

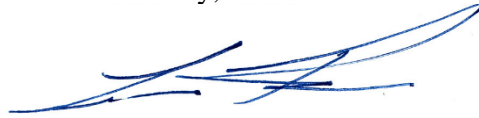

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Lorena Rivas at 703-305-5027 or via email at [rivas.lorena@epa.gov](mailto:rivas.lorena@epa.gov).

Sincerely,

A handwritten signature in blue ink, consisting of several overlapping, fluid strokes that form a cursive name.

**Precautionary Statements**

Hazards to Humans and Domestic Animals

Caution. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**Environmental Hazards**

*[If container size is 5 gallons or greater the following statement will be used:]*

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

## **Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Sani-Cide EX3 (10X) RTU to disinfect airplane hard non-porous surfaces such as tray tables, armrests, lavatory door handles, galley workspaces and on any other objects or surfaces which passengers and crew may come in contact with. Sani-Cide EX3 (10X) RTU is an effective disinfectant against *Staphylococcus aureus* (ATCC 6538) and *Salmonella enterica* (ATCC 10708).

## **Application Instructions:**

Prior to disinfection, pre-clean hard non-porous surfaces by spraying Sani-Cide EX3 (10X) RTU directly on to the surface. Spray 6-8 inches from surface then wipe with a cloth and let dry.

To disinfect, spray Sani-Cide EX3 (10X) RTU directly on to the hard non-porous surface. Spray 6-8 inches from surface. Treated surfaces must remain wet for 10 minutes. After 10 minutes, wipe (dry if desired) with a cloth and let dry.

## **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a cool, dry, well-ventilated area inaccessible to children. If leak or spill occurs – ventilate area of leak or spill. Remove all sources of ignition. Dilute with water and mop-up or absorb with an inert material (e.g., vermiculite, dry sand, earth) and place in a chemical waste container.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility.

*[If container size is 5 gallons or less the following statement will be used:]*

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling or dispose of in a sanitary landfill.

*[If container size is greater than 5 gallons the following statement will be used:]*

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip the container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand container on its end and tip back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat the procedure two more times. Then offer for recycling or dispose of in a sanitary landfill.

*[Optional Non-Pesticidal Marketing Language]*

- Sani-Cide EX3 (10X) RTU will NOT discolor hard, non-porous surfaces in airplane cabins.
- Sani-Cide EX3 (10X) RTU has been tested according to (complies with) Aerospace Material Specification (AMS) 1550B, 1452C and Boeing D6-7127 test specifications.

*[Optional Pesticidal Marketing Language]*

- Sani-Cide EX3 (10X) RTU is a disinfectant and All-purpose Cleaner which leaves surfaces with a Streak-Free appearance and leaves a fresh pleasant scent.
- Use Sani-Cide (10X) RTU on hard, non-porous surfaces in airplane cabins where bacteria or strong unpleasant odors are likely to be present.
