

[168-293]

DIRECTIONS FOR USE

DORMANT OR DELAYED DORMANT APPLICATION Apply to all Salt, Pear and Soft Scale on Almond, Apple, Apricot, Cherry, Nectarine, Peach, Pear, Plum, and Prune. Use 2.2 gallons of ETHION 2.2 SUPERIOR OIL per 100 gallons of water. Apply during the dormant or delayed dormant period.

DELAYED DORMANT APPLICATIONS Use 1 to 2 gallons ETHION 2.2 SUPERIOR OIL per 100 gallons of water. Apply during the delayed dormant period for control of the following overwintering eggs of European Red Mite and Brown Almond Mite on Almond, Apple, Apricot, Cherry, Nectarine, Peach, Plum and Prune. Overwintering eggs of Rosy Apple Aphid and Green Apple Aphid on Apples. Overwintering eggs of Black Cherry Aphid on Cherries. Overwintering eggs of Mealy Plum Aphid and Leaf Cur on Plum, Apricot, Cherry and Prunes. Pear Psyllid eggs on Pears.

THOROUGH COVERAGE FOR USES IS NECESSARY ETHION 2.2 SUPERIOR OIL may be used in combination with Rasburin Sulphate if the total solids are greater than 4.0 percent. Gallons of spray plus additional gallons of spray per 100 gallons of water. Product may be used in combination with Polysulphide Compound. Exercise care to insure proper and complete mixing.

DIRECTIONS FOR MIXING

With enough water in tank to cover agitator shaft and shaft motor, add desired amount of this material to tank. Run agitator through the overflow and back into tank for about 2 minutes to insure proper emulsification. Add water, adding the desired material as tank is filling.

USAGE CAUTION

Do not use if material is not in emulsion. Do not use in undiluted form. Do not apply after harvest of edible parts start to form. Do not apply to fragile crops. Avoid application of all sprays, dusts, or during hot or freezing weather. Avoid application during heavy winds. Avoid drift to spraying. Plants receiving no sprays should be in healthy condition. Temperature should be present.

CAUTION

May be fatal if swallowed or absorbed through skin. Avoid contact with eyes. Do not contact skin, eyes or clothing. Wash thoroughly after handling. Do not contaminate feed and foodstuffs.

Use of this material in a manner other than that specified on the label may result in reduced plant injury, excessive residues or other undesirable results.

This product is toxic to fish, birds and other wild life. Keep out of lakes, streams, ponds, trout streams, where runoff is likely to occur. Do not apply where smaller birds, fish, or mammals may be treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply only as specified on this label.

Do not reuse empty tank. Return to dealer for proper disposal. Do not use for anything other than spraying. Store in safe place away from water supply.

NO WARRANTY: Manufacturer warrants only against defective material. No warranty is made for the use of this product other than that specified on the label. Manufacturer or Seller is not liable for any injury or damage caused by this product. Exercise care in handling. No application or other specific use, label and recommended. © The Monsanto Company
