

MORGRO

Liquid Weed & Grass Killer

For total vegetation control

Prevents plant growth for up to one year.

ACCEPTED  
 APR 24 1987  
 EPA Reg. No. 42057-46

Active Ingredients:

|                                   |         |
|-----------------------------------|---------|
| Prometon: 2,4-bis(isopropylamino) |         |
| methoxy-s-triazine .....          | 2.00%   |
| Inert Ingredients:                | 98.00%  |
| Total:                            | 100.00% |

Keep Out of Reach of Children.

Warning

See additional precautionary statements on back of container.

- One quart Covers up to 75 sq. ft.      Net Contents One Quart
- One gallon Covers up to 300 sq. ft      Net Contents One Gallon

NOTE: This typed label combines the labels for the above two sizes (1 qt. and 1 gal.). Differences in wording peculiar to each size container label are noted; otherwise label text is identical.

For total vegetation control on certain areas around the home where no plant growth is desired, as specified in label directions.

Controls johnson grass, bindweed, and other hard-to-kill weeds. Prevents plant growth for up to one year.

Morgro Liquid Weed & Grass Killer is a nonselective product intended for use after dilution with water. For best results, apply to bare ground or when vegetation growth is just starting. Vegetation taller than 4-6 inches should be hoed before treatment or it may be necessary to make a second application. A second application may be necessary to control deep-rooted perennial weeds. Use for bare ground vegetation control in driveways, brick walks, paths, patios, parking areas, play areas, along fences and curbs, around buildings, and under graveled pathways where plant growth has come through these surfaces.

---

Directions for Use

---

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Apply with a sprinkling can. To cover 35 sq. ft. add 15 oz. to sprinkling can containing 2 gallons of water. When sprinkling can is empty, triple rinse and pour rinses on area just treated. Mix only the quantity needed and use immediately. Do not store dilute solution. To minimize lateral movement, sprinkle in lightly with a watering can immediately after application.

Make application when air is calm to avoid the possibility of drift onto desirable plants or grass. Keep away from the roots of desirable plants. Use only in areas where complete control of all vegetation is desired. Morgro Liquid Weed & Grass Killer should not be used on cultivated areas, on ground that is to be cultivated, in greenhouses, or near the drip line of trees or shrubs. Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). Avoid using where adjacent desirable trees, shrubs, or plants may be injured from leaching of the chemical through the soil. Keep children and animals off treated areas until these areas are dry. Apply this product only as specified on this label.

Storage and Disposal

Do not reuse empty container. Wrap container and put in trash collection. ✓

Precautionary Statements

Hazards to Humans and Domestic Animals

**WARNING**

Causes eye irritation. Do not get in eyes. Avoid contact with skin or clothing. Harmful if swallowed, inhaled or absorbed through the skin. Do not contaminate food or feed.

Statement of Practical Treatment: In case of eye contact, wash with water for at least 15 minutes and seek medical attention. In case of skin contact, wash with plenty of soap and water. Get medical attention if eye or skin irritation persists. If ingested, do not induce vomiting. Drink milk, egg whites, or gelatin; if not available, drink plenty of water. If inhaled, remove victim to fresh air.

Note to Physician: There is no specific antidote; if ingested, do not induce emesis and take care to avoid aspiration of stomach contents during gastric lavage. Give a saline laxative and supportive therapy.

Environmental Hazards

This product is toxic to fish. Keep out of any body of water. Do not contaminate water used for irrigation or domestic purposes. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Physical or Chemical Hazards

Do not use, pour, spill, or store near heat or open flame.
