

SEP 30 1993

Ms. Brenda Pett
Morgro Chemical Company
145 West Central Avenue
Salt Lake City, Utah 84107

Dear Mr. Pett:

Subject: Morgro Benomyl Systemic Fungicide
Label Amendment - Use Deletion
EPA Registration No. 42057-92
Your Submission Dated July 22, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following comments.

1. Under Environmental Hazards, change the fourth sentence to "Do not contaminate water when disposing of equipment washwater".
2. Under Precautionary Statement, Add "This product may cause a temporary allergic skin reaction in a few susceptible persons. This condition should be treated as an allergic dermatitis. There is no evidence of after effects or permanent injury".
3. Add the following reentry statement: "Do not enter or allow reentry into the treated areas until sprays have dried unless wearing protective clothing stated under "Safety Rules".

This acceptance of your label does not relieve you of any obligation to comply with the Worker Protection Standard (WPS). Under the WPS regulations at 40 CFR part 156, subpart K, § 156.200 (c) (3), you are prohibited from distribution or selling any product within the scope of the WPS requirements after April 21, 1994, without amended labeling accepted by the Agency.
