Raleigh, NC 27602

Attention: Mr. J. Sarcamora
Personnel

Dear Mr. ...

Subject: Jack Frost Winter Guard Plus
EPA Registration # 42177-1b
Your Summary dated February 14, 1989

The labeling, referred to above, submitted in connection with
EPA registration of the product, Jack Frost Winter Guard Plus, and a denials
of your application provided that you:

1. Make the following labeling revision before you release the
product for shipment bearing the amended labeling.
 - Either use the complete product name (Jack Frost Winter Guard
Plus) throughout the labeling where reference is made to name
or refer to it as "this product." (See item 9 in our last
letter.)
2. Submit the final printed labeling for inclusion in the product
file.

Your release for shipment of the product bearing the amended
labeling constitutes acceptance of these conditions.

KEEP OUT OF REACH OF CHILDREN

CAUTION

See statement of Practical Treatment and
additional precautions on back panel.

NET CONTENTS: 1 quart (946 ml.)

**CAUTION
PRECAUTIONARY STATEMENTS**

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors.

STATEMENT OF PRACTICAL TREATMENT

If swallowed: Rinse mouth with plenty of water. Drink 4 glasses of water. Do not induce vomiting. Seek medical attention.

If in eyes: Flush with plenty of water for 15 minutes.

If on skin: Wash with plenty of soap and water. Seek medical attention.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic life. Do not apply to streams, rivers, or ponds. For more information, contact the Regional Office of the EPA.

DIRECTIONS FOR USE:

Winter Guard Plus will prevent the growth of algae and other aquatic plants in swimming pools, ponds, and lakes. It is effective against green, blue-green, and brown algae. It is also effective against cyanobacteria (blue-green algae) and diatoms. It is safe for fish and other aquatic life. It is also safe for humans and animals. It is easy to use and does not require special equipment. It is available in 1 quart and 1 gallon containers. It is also available in bulk quantities. For more information, contact the Regional Office of the EPA.

STORAGE AND DISPOSAL:

STORAGE: Store in a cool, dry place. Do not store in a plastic bag and seal with tape. Avoid contact with heat and fire.

DISPOSAL: Do not pour down the drain or into the water. Contact your local health department for disposal instructions.
