Notification Pin Punch October 22, 2012

Dear Ms Niemiec

This acknowledges receipt of your Notification submitted in accordance with the provisions of PR Notice 98-10 under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) section 3(c) 9

Proposed Notifications

Addition of alternate brand name Regal Pool Care System
Addition of optional marketing information for a three step program intended as a consumer guide

General Comments

Based on a review of the material submitted the Notification is not acceptable The addition of unrelated sanitize and shock/oxidize steps is misleading since your proposed language doesn't reference the need to follow directions on the other products The alternate name should state it is Step 3

Should you have any questions or comments concerning this letter, please contact Tom Luminello at (703) 308-8075 or Luminello Tom@EPA.GOV

Sincerely,

for Tom Luminello
