ACCEPTED

MAY 25 1994

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under 42177-35
EPA Reg. No.

OLYMPIC ALGAE PREVENTOR

Prevents Algae Growth
In Swimming Pools

ACTIVE INGREDIENT

n-Alkyl (60% C₁₄, 30% C₁₈, 5% C₁₂, 5% C₁₆)
dimethyl benzyl ammonium chloride.....49.8%
n-Dialkyl (60% C₁₄, 30% C₁₆, 5% C₁₂, 5% C₁₈)
methyl benzyl ammonium chloride.....0.2%
INERT INGREDIENTS:.....50.0%
TOTAL.....100.0%
Weight approximately 8 pounds per gallon.

DANGER

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
KEEP OUT OF REACH OF CHILDREN

CORROSIVE: Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, as well as oxygen and measures to support breathing manually or mechanically may be needed.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewer treatment plant authority. For guidance contact your Regional Office of the Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS: Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
INITIAL APPLICATION (To A Clean Pool): Add 26 fluid ounces of Algae Preventor to each 50,000 gallons of water or ratio thereof. If algae growth is visible, apply the initial dose. Vacuum pool after 24 hours to remove dead algae. If algae is still visible repeat dose as necessary until pool is free of visible algae.

CONTINUED APPLICATION: Add 6½ fluid ounces of Algae Preventor in 50,000 gallons of water every 3-5 days or as needed to maintain 2 ppm active. Quaternary Test Kits are available for this use.

BOOSTER APPLICATION: Add 6½ fluid ounces of Algae Preventor in 50,000 gallons after a heavy or prolonged rainfall or when there is a heavy bathing load.
If algae growth is noticeable apply initial dose.

The above directions should be followed even when the pool is not in use.

Algae Preventor is compatible with many swimming pool chemicals and when used as directed it is not harmful to metal, paint, plastic or tile surface of the swimming pool. Used as directed Algae Preventor will help improve the appearance and cleanliness of the swimming pool water by helping to inhibit the growth of unsightly algae. Algae Preventor requires no special equipment for treating swimming pool water. The correct use dilution may be added directly to the pool in any spot, or added to the water-circulation equipment.

STORAGE AND DISPOSAL

STORAGE INSTRUCTIONS: Store in original container and place in locked storage area. Keep from freezing. Do not contaminate water, food, or feed by storage or disposal.

SPILL OR LEAK PROCEDURE: Small spills may be mopped up or flushed away with water or absorbed on some absorbent material and incinerated.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash. For containers larger than 1 gallon, triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

GENERAL: Consult Federal, state or local disposal authorities for approved alternate procedures such as limited open burning.
