

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Harmful if swallowed. Avoid breathing spray mist. Undiluted product may irritate the skin. Avoid contact with skin, eyes, and clothing. In cases of skin contact, wash thoroughly, and in cases of eye irritation or swallowing, call a physician.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. DMA Algacide provides effective control of algae growth in all types of swimming pools. Even though it affords long term algae control, periodic applications on a scheduled basis will assure lasting algae control. Treated water must be used immediately after addition of DMA Algacide. DMA Algacide is designed to prevent algae growth in swimming pools.

Apply DMA Algacide with at least one quart of water and sprinkle around edge of pool. Add additional amounts of DMA Algacide every two weeks according to directions on the label. For best results begin pool maintenance with DMA Algacide when the pool is first filled with water. Add according to the size of pool as given in the chart below.

DILUTION CHART FOR SWIMMING POOLS

Pool Capacity Gallons of Water	Initial Treatment	Treatment Once Every Two Weeks
5,000	1 1/2 ounces	2 1/2 ounces
10,000	3 1/2 ounces	5 1/2 ounces
20,000	7 1/2 ounces	11 1/2 ounces
30,000	11 1/2 ounces	17 1/2 ounces
40,000	15 1/2 ounces	23 1/2 ounces
50,000	19 1/2 ounces	29 1/2 ounces

HOW TO ESTIMATE GALLON CAPACITY OF YOUR POOL

Measure Length (L), Width (W) and average Depth (D) in feet.

FOR SQUARE OR RECTANGLE POOLS: $L \times W \times D \times 7.5 =$ Gallons

FOR CIRCULAR OR ELLIPTICAL POOLS: $L \times W \times D \times 5.9 =$ Gallons

NOTICE: The manufacturer warrants that this product in its unopened package conforms to the chemical description on the label and is reasonably fit for the purposes set forth on the label when used according to directions and normal pool conditions. THE RE-APPLICATOR WARRANTY TIES THE RE-APPLICATION OF THE PRODUCT TO THE OBTAINING A WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. This warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer assuming all risk of any such use.

STORAGE & DISPOSAL

STORAGE: Keep container closed when not in use. Store product in original container in a cool, dry storage area. Leaking or damaged containers should be placed in a plastic bag and disposed of in trash. Mix up spills with clean water. All pesticides should be kept out of reach of children and stored away from food.

DISPOSAL: Do not reuse empty container and do not refill before decanting contents.
