

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460 NOTICE OF PESTICIDE: ☒ REGISTRATION ☐ REREISTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</i>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; padding: 2px;">EPA REGISTRATION NO. 42177-58</td> <td style="width: 50%; padding: 2px;">DATE OF ISSUANCE JAN 23 2000</td> </tr> <tr> <td colspan="2" style="padding: 2px;">TERM OF ISSUANCE</td> </tr> <tr> <td colspan="2" style="padding: 2px;">NAME OF PESTICIDE PRODUCT Methyl 2-bromophenyl phosphonate</td> </tr> </table>	EPA REGISTRATION NO. 42177-58	DATE OF ISSUANCE JAN 23 2000	TERM OF ISSUANCE		NAME OF PESTICIDE PRODUCT Methyl 2-bromophenyl phosphonate	
EPA REGISTRATION NO. 42177-58	DATE OF ISSUANCE JAN 23 2000						
TERM OF ISSUANCE							
NAME OF PESTICIDE PRODUCT Methyl 2-bromophenyl phosphonate							
NAME AND ADDRESS OF REGISTRANT (Include ZIP code) Yank Chemical Company 12345 Main Street Irving, TX 75039							
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number. On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act. A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith. Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. Signatures of the Registrant and the Administrator must be obtained and the following conditions must be met: 1. Submit all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data. 2. All the above "EPA Registration No. 42177-58" on your label when you release the product for shipment. 3. Submit five (5) copies of your final printed label to be reviewed before you release the product for shipment. Refer to the 3-7b enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release of the product for shipment constitutes acceptance of these conditions. A printed copy of the label is enclosed for your review.  Walter C. Francis Acting Product Manager (3c) International Registration Registration Division (TS-767)

DIRECTIONS FOR USE

This is a variation of feeding. Use this product in a manner inconsistent with its labeling. When used as directed **POWER SHOCK PLUS** kills all types of pool algae and will destroy unsightly algae on your pool walls.

Turn off filter pump and brush wall clinging algae vigorously. Allow the pool water to become a stir. For heavy algae growth add 1 pound per 10,000 gallons of water by sprinkling material where algae growth appears — both over the water's surface and along the pool walls. Turn the pump back on after six hours. Do not continue pool use until chlorine residual falls below 3 ppm.

Remove dead algae after treatment (usually the next morning) by brushing or scraping. If visible living algae still exists after brushing, repeat treatment with **POWER SHOCK PLUS**.

STORAGE AND DISPOSAL

STORAGE: Store in original container. Store in a dry place. Do not allow water to get into container. Keep off wet floors. Do not contaminate water, food or feed by storage or disposal. Keep from freezing.

PESTICIDE DISPOSAL: Pesticide spray mixture or residue is a hazardous waste representative of the material.

CONTAINER DISPOSAL: Do not use for other purposes. Contact local authorities for approved alternatives. EPA REG. NO. 42177-2
