Subject: Microban Additive "B" (EPA Reg. No. 42182-1)
Additional End Product Uses
Correspondence Dated October 30, 1998

The additional end product uses for Microban Additive "B" (bathtubs and/or bathtub enclosures, shower stalls, and whirlpools) which you wish to add under the scope of the Treated Articles Exemption are acceptable. These additional uses are acceptable as a preservative and bacteriostatic agent effective only against non-health related organisms which may contribute to deterioration of the treated articles or to control odors by such organisms.

Should you have any questions or concerns, please call Kathryn Scanlon on (703) 308-6418.

Sincerely Yours,

Robert S. Brennis
