Tony Herber  
Agent  
Microban Products Company  
11400 Vanstory Drive  
Huntersville, NC 28078

Subject: Label Amendment – Minor Label Revisions  
Product Name: MICROBAN ADDITIVE B MUP  
EPA Registration Number: 42182-7  
Application Date: September 12, 2017  
Decision Number: 533186

Dear Mr. Herber:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

EPA Reg. No. 42182-7  
Decision No. 533186

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Melanie Bolden by phone at (703) 347-0165, or via email at [Bolden.Melanie@epa.gov](mailto:Bolden.Melanie@epa.gov).

Sincerely,

A handwritten signature in blue ink that reads "Wanda G. Fuller, for". The signature is written in a cursive, flowing style.

Demson Fuller, Product Manager 32

# MICROBAN ADDITIVE B MUP

Bacteriostat

**IMPORTANT:** Read Directions for use before using this product

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner not consistent with its labeling.

MICROBAN ADDITIVE B MUP is a USP grade bacteriostatic agent intended only for industrial usage (manufacturing, processing or repackaging). Users of MICROBAN ADDITIVE B MUP must follow appropriate regulatory procedures in order to support their specific product usage. Not for Diaper Laundry Application or for use in products to be used in or on heating, ventilation, air conditioning (HVAC) coils, textile applications, or agricultural plastic/polymer films and/or mulches.

Reformulated or repackaged product must be registered with EPA. The potential registrant must supply data to support uses claimed on proposed label.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

### Storage:

Store below 130° F in an area inaccessible to children.

### Pesticide Disposal:

Wastes resulting from the use of the product may be disposed of on-site or at an approved waste disposal facility.

### Container Handling:

Nonrefillable container. Do not reuse or refill this container. Completely empty liner of clinging particles by shaking and tapping sides and bottom. Empty residue into a application equipment. Dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum cannot be reused, dispose of as mentioned above.

For minor spills, shovel into an approved disposal container and vacuum contaminated areas. Avoid creating dusty conditions. Take special care to avoid contamination of equipment and facilities during cleanup procedures and waste disposal.

## Active Ingredient:

5-chloro-2-(2,4-dichlorophenoxy)  
phenol..... 99%  
Other Ingredients..... 1%  
Total..... 100%

## **PRECAUTIONARY STATEMENTS**

### **HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

#### **CAUTION**

**Harmful if inhaled. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Do not breathe dust.**

When handling for any purpose, use dust/mist filtering respirator (such as MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with an N, P or HE pre-filter.

**Wash hands before eating, drinking or chewing gum, using tobacco or using the toilet.** Remove and wash contaminated clothing before reuse.

#### **ENVIRONMENTAL HAZARD**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with requirements of a National Pollutant Discharge Elimination (NPDES) permit. Permitting authority must be notified in writing prior to discharge. Similarly, do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional EPA Office.

#### **FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 min. Call a Poison Control Center or physician for treatment advice.

**If swallowed:** Call a Poison Control Center or doctor for further treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, first call 911 or an ambulance: then give artificial respiration, preferably mouth to mouth, if possible. Call a Poison Control Center or doctor for further advice.

Have the product label or container with you when calling a Poison Control Center or physician for treatment advice.
