

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Ave., N.W.

Washington, D.C. 20460

NOTICE OF PESTICIDE:

\_\_\_ Registration
\_X Reregistration
(under FIFRA, as amended)

EPA Reg. Number:

Date of Issuance:

42182-7

9/19/2025

Term of Issuance:

Unconditional

Name of Pesticide Product:

MICROBAN ADDITIVE B MUP

Name and Address of Registrant (include ZIP Code):

Microban Products Company

Electronic Transmittal: therber@srcconsultants.com

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on her/his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted on 7/23/2012. EPA grants this request under the authority of section 3(c)(5) of FIFRA, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for Triclosan have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Submit one (1) copy of final printed labeling. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

EPA Form 8570-6

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 9/17/2014
- Alternate CSF 1 dated 9/17/2014

If you have any questions, please contact Megan Snyderman by phone at 202-566-0639, or via email at Snyderman.Megan@epa.gov.

Enclosure: Stamped Label

### ACCEPTED

09/19/2025

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 40400.7

42182-7

#### Active Ingredient:

5-chloro-2-(2,4-dichlorophenoxy)	
phenol	99.9%
Other Ingredients	0.1%
Total	100.0%

EPA Reg. No. 42182-7 EPA Est. No. {to be inserted} Batch/Lot Number:

## Keep Out of Reach of Children

#### WARNING

See side panel for precautionary statements and First Aid

Net Weight: 55 lbs/25 kg

#### MICROBAN ADDITIVE B MUP

Bacteriostat

**IMPORTANT**: Read Directions for use before using this product

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

MICROBAN ADDITIVE B MUP is a USP grade bacteriostatic agent intended only for industrial usage (manufacturing, processing or repackaging). Only for formulation as a preservative for the following uses: plastics, fibers (nontextile applications), silicones, urethanes, vinyl, paper and paperboard (When used in industrial process waters for the manufacture of pulp and paper, a closed delivery system must be used.) Specific finished end-use items made from these materials must be specified on the end-use (EP) product label. Not for Diaper Laundry Application or for use in products to be used in or on heating, ventilation, air conditioning (HVAC) coils, textile applications, or agricultural plastic/polymer films and/or mulches.

This product may be used to formulate products for any additional use(s) not on the label if the formulator, user group, or grower has complied with US EPA submission requirements regarding support of such use(s).

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

#### Storage

Store below 130° F in an area inaccessible to children.

#### **Pesticide Disposal:**

Wastes resulting from the use of the product may be disposed of on-site or at an approved waste disposal facility.

#### **Container Handling:**

Nonrefillable container. Do not reuse or refill this container. Completely empty liner of clinging particles by shaking and tapping sides and bottom. Empty residue into application equipment. Dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum cannot be reused, dispose of as mentioned above.

For minor spills, shovel into an approved disposal container and vacuum contaminated areas. Avoid creating dusty conditions. Take special care to avoid contamination of equipment and facilities during cleanup procedures and waste disposal.

# PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

May be fatal if inhaled. Do not breathe dust. Wear a minimum of a NIOSH-approved particulate filtering facepiece respirator with any N1, R, or P filter (OR a NIOSH approved elastomeric particulate respirator with any N1, R, or P filter; OR a NIOSH-approved powered air purifying respirator with HE filters). Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear. Harmful if absorbed through skin. Avoid contact with skin. Wear chemical resistant gloves. Harmful if swallowed.

Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

#### **ENGINEERING CONTROLS**

Occupational handlers applying the product are required to wear a NIOSH approved PF1000 full facepiece supplied-air respirator and must wear chemical resistant gloves, or engineering controls are required to achieve closed loading and delivery of powder product.

See OSHA's Respiratory Protection Standard for federal requirements on how to safely fit-test, train, and medically examine workers who will be using respirators.

#### **ENVIRONMENTAL HAZARD**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with requirements of a National Pollutant Discharge Elimination (NPDES) permit. Permitting authority must be notified in writing prior to discharge. Similarly, do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional EPA Office.

#### **FIRST AID**

**If inhaled:** Move person to fresh air. If person is not breathing, first call 911 or an ambulance: then give artificial respiration, preferably mouth to mouth, if possible. Call a Poison Control Center or doctor for further advice.

**If in eyes**: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

**If on skin or clothing**: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 min. Call a Poison Control Center or physician for treatment advice.

**If swallowed:** Call a Poison Control Center or doctor for further treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product label or container with you when calling a Poison Control Center or physician for treatment advice. For medical emergencies, call the poison control center at 1-800-222-1222. For general (non-emergency) information on this product, contact the National Pesticides Information Center (NPIC) at 1-800-858-7378, Monday through Friday, 8:00 AM to 12:00 PM PST or at http://npic.orst.edu.
