

Aqua-trolTM
Pool Products by F.L. Industries

PREMIUM GRADE

SHOCK TREATMENT

- **KEEPS WATER CLEAN AND FREE OF ALGAE**
- **REDUCES CLEAN UP TIME IN SPRING**
- **NO NEED TO DRAIN POOL**

CAUTION: Keep out of reach of children. Harmful if swallowed. If splashed on skin or in eyes, flush with plenty of cold water. If irritation persists, get medical attention.

FISH AND/OR WILDLIFE PRECAUTIONS This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public waters.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash container.

DIRECTIONS:

Use **SHOCK TREATMENT** on the basis of 1/2 quart (16 Fl. oz.) for every 4,000 gallons of water in pool. Simply dilute the required amount of **SHOCK TREATMENT** in a plastic pail holding approximately 5 gallons of water and pour the diluted solution around the entire perimeter of the pool water. While pouring, keep filter running for good distribution. **SHOCK TREATMENT** must be added to pool water free of algae. For best results clean and super chlorinate pool for several hours prior to adding this product. Cover pool after use.
