NET CONTENTS: 8 fl. oz (237 ml.)

Specially formulated for fiber waterbed mattresses, Blue Magic Fiberbed Conditioner is a complete one step, time-released formula for controlling the growth of odor-causing and slime-forming bacteria in all types of waterbeds. It removes gases from water and protects vinyl, fiber and foam.

DOSAGE: To control growth of odor-causing and slime-forming bacteria, add 8 fl. oz. of this product to a fiber waterbed mattress of 90-180 gallon capacity. Add 4 fl. oz. to a twin or hybrid type waterbed up to 90 gallon capacity. Burp all air bubbles, then heat to desired temperature. After 4-5 days, burp bed again and close mattress valve tightly. Repeat application every 10-12 months in fiber or foam beds. In free-flow waterbeds, repeat application every 12-24 months.
