REGISTRATION DIVISION (TS-767)  
WASHINGTON, DC 20460

EPA REGISTRATION  
42373-8

DATE OF ISSUANCE  
FEB 8 1989

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION  
(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

MULTI-PURPOSE PLUS (+) SPA AND  
-POOL ALGAEICIDE

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Blue Magic Products, Inc.  
P.O. Box 4175  
Brentwood, CA 95004

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Under the conditions of registration in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit all data required for registration/registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 42373-8" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the 4-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

2/2  
BLUE MAGIC Multi-Purpose Plus (+) Algaecide controls the growth of algae and microorganisms in both pools and spas. This product is formulated for regular maintenance treatment and not for removal of heavy algae growth. It is compatible with other water treatment chemicals.

**DIRECTIONS FOR USE:**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**IMPORTANT NOTES:**

Do not mix Multi-Purpose Plus (+) directly with other pool or spa products. Always adjust maintenance according to frequency of use, bather load, sunlight exposure, and temperature.

**DOSAGE:**

Ensure all pool or spa equipment is working properly, including pump, filter skimmer, and heater prior to adding any water treatment chemicals.

Using recommended procedure, backwash pool or spa's filter.

Maintain water pH at 7.4-7.6 for at least 6 hours before adding Multi-Purpose Plus (+). (Adjust pH with Sparkling Pool pH Increaser or pH Decreaser.)

For pools or spas having just visible algae growth, add 19 to 29 fluid ounces per 10,000 gallons of water or 2-3 fluid ounces for 1,000 gallons of water. Recirculate water for one hour for maximum performance.

For freshly cleaned pools or spas, use 10-19 fluid ounces per 10,000 gallons of water or 1-2 fluid ounces per 1,000 gallons every 3-5 days. Subsequent additions of 4-7 fluid ounces.

Recheck pH and adjust if needed.

**PRECAUTIONS:** Hazardous to humans and domestic animals.

**CAUTIONS:** Harmful if swallowed. Avoid breathing vapors. Avoid contact with eyes and clothing.

**FIRST AID:** If swallowed, promptly drink large quantities of milk, egg white, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Store in a locked, cool, dry, well ventilated area away from heat and flames. Mop up spills with clear water.

DO NOT reuse container. Wrap container and put in trash collection.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. DO NOT discharge effluents into lakes, streams, or ponds. Permits may be required for discharges containing this product into private or public waters. For questions contact the regional office of the Environment Protection Agency.
