EXPIRES
30 AUG 1987

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

POOLCIDE 50

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Gold Coast Chemical Corporation
3301 North 29th Avenue
Hollywood, FL 33020

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 42389-13" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner

POOLCIDE 50 is used in swimming pools, exterior spas, whirlpools, hot tubs, decorative fountains, and ponds containing heavy growth of algae to using POOLCIDE 50.

For pools having just visible algae growth add an initial fluid ounces of POOLCIDE 50 per 10,000 gallons of water. Subsequent additions of 2.5 fluid ounces of POOLCIDE 50 per 10,000 gallons of water. For treatment of a pool with settled algae debris by cleaning. For treatment of a pool with algae growth add an initial dose of 1.2 fluid ounces of POOLCIDE 50 per 1000 gallons of water. Subsequent additions of 0.3 fluid ounces of POOLCIDE 50 should be made every 7 to 14 days after initial treatment for maintenance.

Spas, whirlpools, hot tubs, decorative fountains, and ponds with algae growth require an initial dose of 1.2 fluid ounces of POOLCIDE 50 per 1000 gallons of water. Subsequent additions of 0.3 fluid ounces of POOLCIDE 50 should be made every 7 to 14 days after initial treatment for maintenance.

POOLCIDE 50 will prevent algae growth in swimming pools, hot tubs, decorative fountains, and ponds treated during the swimming season and are free of algae. For season pools have some visible algae growth, add 1.5 fluid ounces of POOLCIDE 50 per 10,000 gallons. It is necessary that a uniform distribution of water and the pool be made for maximum effectiveness. It is necessary to repeat the treatment one or more times during the season.

POOLCIDE 50 is compatible with chlorine products. POOLCIDE 50 can be used in swimming pools and spas and is effective against algae. However, do not mix POOLCIDE 50 with chlorine products.

STORAGE & DISPOSAL: Do not contaminate water, food, or feed. Keep container closed when not in use. Leaking or broken containers should be placed in a plastic bag and discarded in trash. All pesticides should be kept out of reach of children.

DISPOSAL: Do not reuse empty container. Wrap
