

PM 31

42389-17

ACCEPTED

JAN 31 1994

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under
EPA Reg. No. 42389-17

NO SLIME STRIP produces a continuous release of an active ingredient that controls fouling and inhibits the growth of slime forming and odor causing bacteria. Not for heat vaporizing or atomizing type vaporizer/humidifier.

RECOMMENDED USAGE

One regular strip for up to 5 ton units.
One large strip for up to 10-15 ton units.
Use multiple strips in appropriate proportions for units larger than 15 tons.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Place **NO SLIME STRIP** in air conditioning drip pan. Replace when piece inside mesh is completely dissolved. Wash thoroughly with soap and water after handling.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Do not contaminate water, food, or feed by storage or disposal.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal: Do not reuse empty container. Wrap container in newspaper and discard in trash.

**FOR INDUSTRIAL AND
COMMERCIAL USE ONLY**
NET CONTENTS:

Net wt. 2 oz./Net wt. 4 oz.
EPA REGISTRATION NO. 42389-17
