

## OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

WASHINGTON, D.C. 20460

June 24, 2025

Brian Hogan  
Regulatory Consultant,  
Gold Coast Chemical Products  
Electronic Transmittal: [brian@eparegistration.com](mailto:brian@eparegistration.com)

Subject: Notification per PRN 98-10 – To Revise the Product Labeling  
Product Name: No Slime Strip  
EPA Registration Number: 42389-17  
Received Date: 12/06/2024  
Action Case Number: 00639362

Dear Mr. Hogan:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

## FIRST AID

**If in Eyes:** Hold eye open and rinse slowly with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless instructed to do so by poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have product container or label with you when calling poison control, doctor, or going for treatment.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear goggles, protective clothing, and rubber gloves when handling. Harmful if swallowed. Thoroughly wash with soap and water after handling and before eating, drinking, or smoking tobacco. Remove contaminated clothing and wash before reuse.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Use in Air Conditioner Drip Pans:** Place NO SLIME STRIP in air conditioning drip pan. Replace NO SLIME STRIP when piece inside mesh is completely dissolved. Wash thoroughly with soap and water after handling.

**Recommended Usage:** One regular or 2-3 small strips for up to 5 ton units. Use one large strip for up to 10-15 ton units. Use multiple strips in appropriate proportions for units larger than 15 tons.

**For Use in Computer Room Equipment, Refrigerated Vending Machines, Swamp Coolers, Display Cases and Cold Storage Walk-ins:** Place NO SLIME STRIP in unit drip pan. Replace when piece inside mesh is completely dissolved. Wash thoroughly with soap and water after handling.

**Recommended Usage:** 1 regular or 2-3 small strips in refrigerated vending machines, swamp coolers, display cases and cold storage walk-ins.

## OPTIONAL MARKETING CLAIMS {These can appear anywhere on the label}:

- A microbicide for commercial and industrial air conditioning drip pans, computer room equipment, refrigerated vending machines, swamp coolers, display cases and storage walk-ins.
- NO SLIME STRIP produces a continuous release of an active ingredient that controls fouling and inhibits the growth of slime forming and odor causing bacteria. Not for heat vaporizing or atomizing type vaporizer/humidifier.
- Air Conditioning Drain Pan Slime Preventative
- Effective Year Round
- Polymeric Packaging Releases a Constant Dose of Microbicide, Odor Neutralizers, Corrosion and Scale Inhibitors.
- Visible Packaging Shows How Much Product Remains Available to Use. NO GUESSWORK.

**OPTIONAL GRAPHICS:**

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in a cool, dry place.

**Pesticide Disposal:** To avoid waste, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program. Dispose of empty mesh bag in trash or sanitary landfill.

**Container Handling (box):** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of in trash or in a sanitary landfill.
