### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**Caution:** May be harmful if swallowed. Avoid breathing dust. Avoid contact with eyes, skin or clothing. Wash thoroughly after handling. Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The area being treated must be vacated by unprotected persons. Do not enter treated areas without protective clothing until dusts have settled.

Because certain states may require more restrictive reentry intervals for various crops treated with this product, consult your State Department of Agriculture for further information.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to water. Do not contaminate bodies of water by improper disposal of wastes and containers. Use this product only as specified on this label.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool, dry area away from water, feed and foodstuffs.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in sanitary landfill or by incineration if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**PESTICIDE DISPOSAL:** Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to applicable federal, state, or local procedures. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

### RECOMMENDATIONS

D-H POTATO SEED-PIECE TREATER is a special fungicide dust formulation for application on whole or cut potato tubers to protect them from seed-piece decay caused by *Fusarium sambucinum*.

**DIRECTIONS FOR USE:** It is a Violation of Federal Law To Use This Product in a Manner Inconsistent With Its Labeling.

Use 1 lb. of D-H POTATO SEED-PIECE TREATER per 100 lbs. of whole or cut potato seed pieces. Apply the dust in a manner such that the entire surface of the seed piece becomes thoroughly covered with the fungicide dust. Plant seed as soon after treatment as possible. Do not use treated seed potatoes for food or feed purposes.

### NOTICE OF WARRANTY

Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
