Potassium Phosphite Technical

NOTICE OF PESTICIDE

X Registration

Registration Re-registration (under FIFRA as amended)

Name and Address of Registrant (include ZIP Code)

Luxembourg-Pamol, Inc 3647 Willowbend Boulevard, Suite 810 Houston, TX 77054

Note-Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce almany correspondence on this product, always refer to the above EPA registration number

On the basis of information furnished by the registrant the above named pesticide is hereby registered/reregistered under the Federal Insecticide Fungicide and Rodenticide Act

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency In order to protect health and the environment the Administrator on his or her motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others

This registration does not eliminate the need for continual reassessment of the pesticide. If the EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA

The product is registered in accordance with FIFRA section 3(c)(5) and is subject to the following terms and conditions

- 1 Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data
- 2 Submit within 1 year of the date of registration data packages for Guideline Studies OPPTS 830 6320 (Corrosion Characteristics), OPPTS 830 6313 and OPPTS 830 6317 (Storage Stability)
- 3 Make the following label change before you release the product for shipment Revise the EPA Registration Number to read, "EPA Reg No 42519-36"
- 4 Submit two (2) copies of the revised final printed labeling before you release the product for shipment Refer to the A-79 enclosure for a further description of the final printed label

A stamped copy of the label 1s enclosed for your record
