NOTE: Changes in labeling, formula, fill time, or substance from that accepted in connection with this registration must be accepted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of the product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name, or to its use if it has been used by others.

Under the authority of the Administrator, the following conditions are hereby established for the registration of this pesticide:

1. The pesticide shall be registered in accordance with the provisions of the Act and the regulations thereunder.

2. The pesticide shall be registered in accordance with the provisions of the Act and the regulations thereunder.

Four amended labels and four copies of each label and a copy of the registration form must be on products received or shipped within 1 year of the next label printing, whichever occurs first. Labels must be submitted to the Agency for supplemental registration within 1 year of the date of reregistration or at the next label printing, whichever occurs first.

Four product labels for this pesticide shall be submitted to the Agency for registration. Failure to comply with the conditions of registration of the Agency's issuance of a Registration Number for this pesticide shall constitute a violation of the Act (7 U.S.C. 136j).
