ACCEPTED  
JUN 22 1982  
Under the Federal  
Pesticide, and Related Act  
Recommended for the pesticide  
registered under  
EPA Reg. No. 42687-5

**KEEP OUT OF REACH OF CHILDREN  
DANGER**

**Statement of Practical Treatment**

In case of contact immediately flush eyes with plenty of water for at least 15 minutes. For eye contact, a physician should be consulted. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of water with a gelatin solution. If not available, drink large quantities of water. Avoid vomiting. Do not induce vomiting.

**NOTE TO PHYSICIAN:** For eye contact, irrigation may contraindicate the use of contact lenses. Misuse, such as inhalation, may result in respiratory irritation, cough, and bronchitis. Inhalation may result in pulmonary edema, bronchospasm, and pulmonary hemorrhage. Intravenous injection of a small amount may result in death.
