DRAFT LABEL - SAFER I.S. FOR HOUSEPLANTS, F&V**BACK PANEL**

Hazards to humans and domestic animals:

CAUTION - Harmful if swallowed. Avoid contamination of feed and food stuffs.

Environmental Hazards: Keep out of lakes, streams and ponds.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner with its labeling.

To control APHIDS, EARWIGS, GRASSHOPPERS, LEAFHOPPERS, MEALYBUGS, MITES, PLANT BUGS, PSYLLIDS, SAWFLY LARVAE, SOFT SCALES, and WHITEFLY on ornamental plants, fruits and vegetables spray as provided to thoroughly wet all infested plant surfaces. Apply when insects or first signs of their damage appear. For aphids and mealybugs spray again after two days or when insects return. For mites and whitefly spray weekly and be sure to spray underside of leaves where these insects feed and rest. For other pests apply spray directly to the insect.

ORNAMENTALS - Use as directed above. Do not use on euphorbias, gardenias or delicate ferns. NOTE: This product is somewhat stronger than spray mixed as recommended from concentrate. Do not use on azaleas, begonias, camellias, fuchsias, impatiens, jade plants or palms without first testing for varietal sensitivity.

FRUITS AND VEGETABLES - CUCURBITS (Cucumber, Squash, Pumpkin, Melons) to control aphids, leafhoppers, spider mites, squash bug and whitefly. Use up to day of harvest. **BEANS, PEAS** to control aphids, leafhoppers, grasshoppers and spider mites. Use up to day of harvest. **COLE CROPS** (Cabbage, Broccoli, Brussel Sprouts, etc.) to control aphids, leafhoppers, and harlequin bug. Use up to day of harvest. **TOMATOES, PEPPERS, EGG PLANT** to control aphids, spider mites, whitefly. Use up to day of harvest.

STORAGE AND DISPOSAL

Store at room temperature; protect from freezing. Do not reuse empty container. Rinse thoroughly before discarding in trash.

Safer, Inc., will not accept liability for damage resulting from misuse.
