DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For control of fleas, ticks and lice on dogs, cats and horses.

Directions continued on right side panel

Wet animal lightly, preferably with warm water. Pour small quantity of soap concentrate into the palm and work into a lather making sure that foam penetrates to the skin and taking care that soap does not enter the eyes, nose or mouth. Be sure to shampoo the entire body including the legs and feet. Allow lather to stand for five minutes then rinse the coat thoroughly. Avoid getting soap concentrate into sores or open wounds.
