Potassium salts of fatty acids	25%
Inert Ingredients	75%
Total	100%

Keep out of reach of children.

### CAUTION

See side panel for additional cautions.

Net contents

12 fl. oz.

Wet animal lightly, preferably with warm water. Pour small quantity of soap concentrate into the palm and work into a lather, making sure that foam penetrates to the skin and taking care that soap does not enter the eyes, nose or mouth. Be sure to shampoo the entire body including the legs and feet. Allow lather to stand for five minutes, then rinse the coat thoroughly. Avoid getting soap concentrate into sores or open wounds.

For a complete program of flea control, use Safer Agro-Chem's Flea Soap for your pets.

Safer Agro-Chem Inc. nor the sellers accept liability from misuse.
