No. 5322  
**Moss & Algae Attack®**  
CONCENTRATE

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Structural Applications:**

Mix one part concentrate with 20 parts water or approximately 6 fl. oz. (12 tablespoons) per gallon. Apply mixed spray at the rate of approximately one gallon per 100 sq. ft. of overgrown surface. For best results moisten area to be sprayed with fresh water before applying Moss & Algae Attack®. Avoid spraying when precipitation is expected. Repeat treatment annually or at the outset of cryptogam recolonization. Treated cryptogams (mosses, algae, lichens and liverworts) will dry and slough off naturally making physical removal unnecessary. Repeat treatment annually, or at the outset of cryptogam recolonization. Moss and Algae Attack® applied to hardened bark of trees will control unwanted moss, algae, liverworts and lichens. Spray cryptogam growth on tree trunks and branches to wet thoroughly. Use on ornamental trees only. Not to be used on fruit trees. Do not apply or allow overspray to contact foliage or green bark of conifers or broad-leaf plants.  
**CAUTION:** Treated surfaces may be temporarily slippery.

**PRECAUTIONARY STATEMENTS:**

**Hazards to humans and domestic animals:**

**WARNING:** Causes substantial but temporary eye irritation. Wear safety goggles when handling. In case of eye contact, flush with plenty of water and get medical attention. If on skin, wash with plenty of water. Harmful if swallowed. If swallowed, drink 1 or 2 glasses of milk and call a physician. Do not administer liquids to an unconscious person.

**Environmental Hazards:** Do not apply directly to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

**STORAGE AND DISPOSAL:**

**Storage:** Store in cool place and keep container tightly sealed.

**Disposal:** For disposal of unused product, securely wrap original container in several layers of newspaper and discard in trash. Do not reuse empty container. Rinse thoroughly before discarding in trash.

Ringer Corp. and Safer® Inc. will not accept liability for damage or injury resulting from misuse.
